

1/4 mile south of Grace Hudson Elementary School, turn west on to Oak Knoll Rd. at the South Side Store. Continue up Oak Knoll for 1 and 1/3 miles, even if you think you have gone too far. Although paved all of the way, the road is quite steep at times and is private for one-half of the distance. Our house is an adobe brick home with a steep tile roof. Look for the blue iron gate with the brick pillars right on the road. Park on the right-hand side of the road going up right near the house and in the lot just beyond.
